

CeCoP Lecture

WAR, WORK & WANT: **How the OPEC Oil Crisis Caused Mass Migration and Revolution**

In this talk, Randall Hansen asks why, against all expectations, global migration tripled after 1970. The answer, he argues, lies in how the OPEC oil crisis transformed the global economy, Middle Eastern geopolitics and, as a consequence, international migration.

Randall Hansen, University of Toronto

Randall Hansen is Director of the Global Migration Lab at the University of Toronto's Munk School and Canada Research Chair in the Department of Political Science.
